June 22, 2020

Kevin White, Global Co-Head of Alternatives Research & Strategy, will present DWS's 2020 mid-year U.S. real estate market outlook. Key topics to be covered include:

- What will drive real estate performance going forward?
- What is the future of office properties as more people work from home?
- Will retail properties recover from the shutdowns?
- What markets are positioned to potentially outperform?
