March 03, 2020

Four Springs Capital Markets, a financial services firm focusing on commercial real estate investment products, has appointed Bill Auble as senior vice president of sales to cover the Upper Midwest region of the country, including Minnesota, Iowa, Wisconsin, Illinois, Indiana, Michigan, Ohio.

Auble is a financial services executive with experience in the alternative investment and broader capital markets

industry. Most recently, he was regional vice president of sales for Resource Securities, a commercial real estate firm, and previously served in sales leadership roles with Realty Capital Securities and DWS Investments. Auble started his career as a financial advisor.

Founded in 2009, [Four Springs Capital Markets](#) is a financial services firm that focuses on raising capital for real estate and other alternative investments. The company has raised capital from financial intermediaries, high net worth individuals, family offices and institutional investors for 1031 programs, private placements and REIT equity and debt investments.

Investment offerings include Four Springs TEN31 Xchange-sponsored Delaware statutory trusts and Four Springs Capital Trust, an internally-managed REIT that focuses on single-tenant healthcare, industrial and retail properties leased on a long-term basis to creditworthy tenants.
